Purple Cobras: Study Buddy App

Team Members

Kin Cheung Leung kile2101@colorado.edu	Rachel Mamich rama7226@colorado.edu
Drake Rutherford drru8281@colorado.edu	Christian Simons chsi2839@colorado.edu
Qinglu Sun qisu4484@colorado.edu	

1 Project Tracker

<https://trello.com/b/oFnmvitz/study-buddy-app>

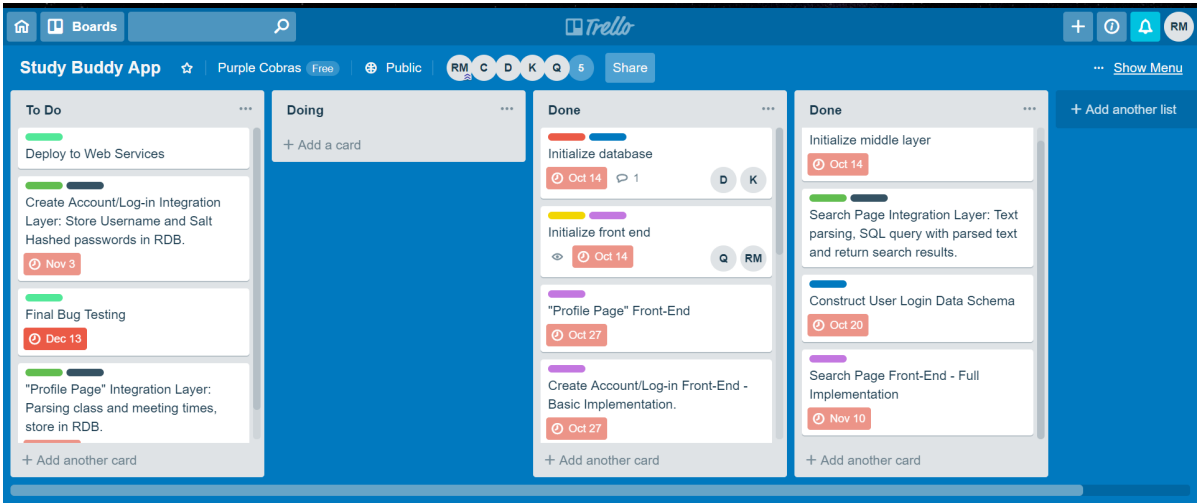

Figure 1: Screen shot of Trello Kanban To Do list. The yellow, navy blue, and red tags specify the team members working on the tasks. The yellow tag means that Qinglu and Rachel will be working on the task, the navy blue tag means that Christian will be working on the task, and finally the red tag means that Kin and Drake will be working on the task. The purple, green, and blue tags specify the kind of task that it is. The purple tag means that the task is a front end task, the green tag means that the task is a middle layer task, and finally the blue tag means that it is a database task. Lastly, the teal tag means that the task cannot be easily grouped with other tasks.
